## MADE YOU LOOK!

That's the power of mobile advertising, the exciting medium that's revolutionizing advertising for a fraction of the cost of traditional TV, radio, print or outdoor.

Is your message getting lost in the clutter? Put it in motion! Mobile advertising is the next generation marketing tool that puts you in the driver's seat, allowing you to target viewers by zip code, key events and even turn rush hour into an "ad"vantage. Wherever you go, people will notice and remember you.

### Drive your Business Forward!

Whether you are a large business or a small business launching a new product, the key to success is direct exposure to YOUR target market. What better way than to advertise your business on your own vehicle? Put your advertising dollars to work for you!

#### Lettering your vehicle:

- Utilizes your own "target" audience.
- Is cost effective
- Presents your company with the highest and longest retention rate to potential customers.

Fine Lines Graphics is your trusted source from designing with our custom templates specific to your vehicle model to professional installations from experienced installers that know all the tricks of the trade.

Mobile Advertising brings your corporate product or service to tens of thousands of prospective customers per day. Imagine the impact and consider the exposure you would receive from: Major City Showings, New Product Launches, High Traffic Locations, Major Sporting Events, High Tourist Areas, Brand Awareness, Political Rallies, Conventions, Trade Shows, Colleges or Concerts.

Use your vehicle to advertise for you! Call Fine Lines Graphics for a customized quotation!
